Media & Communications Professional | Content Creator | Executive Assistant
Social Media Strategy | Digital Marketing | Brand Engagement | Administrative Support

SUMMARY

Motivated media and marketing communication professional with over three years of hands-on experience in content creation, social media management, and administrative coordination. Strong experience supporting municipalities, cultural organizations, and digital campaigns through effective remote collaboration across teams and departments. Brings a solid public relations background, delivering clear visual content while consistently improving audience engagement across different digital platforms.

CORE COMPETENCIES

Strategic Planning, Community Engagement, Brand Positioning, Stakeholder Management, Event Coordination, Campaign Execution, Content Strategy, Visual Storytelling, Performance Analysis, Creative Direction.

PROFESSIONAL EXPERIENCE

Executive Assistant | Union of Municipalities of Arqoub and Harf **2025 – Present**

- Report directly to the president while launching and handling prominent organizational social media pages across major platforms like Instagram and Facebook.
- Coordinate administrative workflows and project communication efforts, supporting regional development goals alongside community outreach initiatives within the municipality region.
- Manage critical documentation, reporting, and media coordination processes, facilitating seamless communication between internal administrative teams and external organizational stakeholders.
- Assist leadership teams in strategically planning and executing public campaigns and organized events to drive local community engagement initiatives.

Media Officer (Part-time) | Arkoub – Al Harf Development Organization **June 2023 – Present**

- Create and manage dynamic digital content across multiple social media platforms, expertly highlighting local village events, community projects, and various regional initiatives.
- Handle media communication workflows alongside public relations activities, proactively supporting audience engagement programs and essential organizational brand awareness campaigns.
- Prepare engaging written updates, creative photo captions, and specialized visual communication materials to showcase around five distinct community events effectively and successfully.

Social Media Manager | Artist Salim Assaf Fan Pages **February 2022 – Present**

- Manage continuous fan engagement activities and oversee daily content publishing workflows, successfully maintaining consistent brand tone alongside an innovative overall creative direction.
- Develop compelling captions, highly engaging Instagram reels, and dynamic promotional visual content that collectively elevate the overall fan experience across digital platforms.

- Increase sustained audience interaction levels by actively implementing engaging multimedia strategies designed specifically to maximize follower retention and expand overall page visibility.

Digital Marketing & Content Creation Intern | WeARe Media Agency Oct. 2025 – December 2025

- Analyzed prominent business social media accounts across multiple unique industries to formulate strategic monthly content plans covering more than six active pages.
- Designed structured content pillars, posting schedules, and campaign ideas, driving measurable audience engagement improvements through captions and targeted call-to-action strategies.
- Participated actively in complex promotional filming sessions and content production workflows, collaborating closely alongside creative agency teams to ensure successful campaign execution.
- Assisted management in organizing comprehensive in-office setups alongside dynamic on-location content production sessions to capture high-quality visual marketing materials for agency clients.

Social Media & Communications Coordinator | Municipality of Barouk March 2022 – May 2025

- Managed the official social media presence and primary digital communication channels across Facebook and Instagram, executing professional shooting, editing, and poster designs.
- Produced high-quality written narratives, vivid photography, and dynamic video content specifically tailored for daily municipal activities to support broader citizen communication initiatives.
- Assisted internal teams with comprehensive event planning, targeted campaign promotion, and local project administration while formally coordinating content documentation for official pages.
